Foreword

THE SPIRIT OF MOOSIE

"Thirty seven years ago the 'Spirit of Moosie' that is now eminent in the San Luis Valley had its origin in the hearts of those who wished something better in education here and therefore organized Alamosa High School."

This opening statement found in the 1927 "The Alamosan" puts into words the feeling which existed then as now in the hearts of Alamosa citizens.

Perhaps your grandparents were among those who were first to enter the doors of AHS in 1921. They exercised with such dances as the Charleston, Black-bottom, and the Big Apple. They had snake dances to top off many of their activities. There has always been a prom even though there was a time when the enrollment was only 150 students.

Now we are leaving AHS--the old building whose corridors echo with so many memories, and by this time next year we will have reset our roots in the new high school building west of town. However, some of us will never forget how it was to walk the halls before school in the morning, the noisy third period classes when the band practiced in the auditorium, the pungent odor of smoke and coffee emanating from the teacher's lounge, the fun of sock hops and formal dances on the stage which also doubled as gymnasium, nor the row of poplar trees which line the athletic field.

Our days have been filled with joy and sadness, triumph and failure, learning and daydreaming--none of this will change for wherever there are students there will be laughter and tears, winning and losing, studying and playing.

This book reflects your actions and participation in activities during the last year in this old and beloved building. The "Spirit of Moosie", originated many years ago, has grown and been nurtured here. It is a spirit which will never die.

Dedication

Charming and vivacious Mrs. Maxine Weiss is one of Alamosa High School's outstanding teachers. Whether it's cheering at a game or sponsoring a dance, students can always count on her enthusiastic support.

Mrs. Weiss is head of the business department and has taught at AHS for the past 13 years. Her breakfasts for shorthand students are famous.

Mrs. Weiss has one daughter, Pati, who is a freshman at CU. However, the Pom Pon girls whom she sponsors are all "her girls" too.

As a Sophomore class sponsor, she takes a genuine interest in their projects and activities.

Despite her pressing schedule she always finds time to counsel with students. Her friendliness and helpfulness are greatly appreciated by students and faculty alike.

AHS students look forward to Homecoming with greater anticipation than any other event during the school year.

Fair skies and balmy weather helped make this year's Homecoming a memorable event from the parade October 8 through the Freshman-sponsored dance October 10.

A 19-0 football victory over Las Animas put everyone in a gala mood, and June Carroll was every inch a queen as she reigned over Homecoming festivities.

Flag Raising Ceremony

A flag that has flown over the capitol in Washington, D.C. was presented to Alamosa High School in an impressive ceremony April 21.

The honorable J. Edgar Chenoweth, former member of the House of Representatives, made the presentation to Terry Sloan, student body president, who in turn presented it to a Marine and Legion color guard.

The flag was raised as the band played "The Star Spangled Banner."

is 'Rome Adventure'

An aura of ancient Rome surrounded Juniors and Seniors May 8 as they dined at tables decorated with bowls of fruit in the traditional Roman manner.

Freshman servers dressed in Roman costumes, and place cards, programs, and napkins decorated with purple chariots helped carry out the theme.

Even entertainment at the banquet contributed to the mood when the Velvetunes sang "Three Coins in the Fountain" and Gene Chappell gave his rendition of the prom theme song, "Al di La."

Following the banquet, promtrotters danced to the music of Larry Dee and his Blue J's in a beautifully decorated gym. Colors of purple, blue and white were accented by tall white Roman columns. Colored lights played on a realistic rock fountain where many dancers paused to toss in a coin and make a wish.

dedicated to the

CLASS OF 1965

from the

CLASS OF 1966

The music fades, the stars grow dim,
The night too soon departs
And though it dies, it leaves a
mem'ry
Glowing in our hearts.
A glow that is the symbol of
The happy days we've known
Of countless friends and dream
come true
Of four years that have flown,
Of four short years that hurried by
And to them now we cling
As rather wistfully we reach
Our Prom --- the final fling.

Pep Club

Pep Club is the backbone of AHS spirit. You will always find the Pep Club present at any athletic event cheering for the Maroons.

AHS spirit is truly supported by the Pep Club, a group of girls who are dedicated and loyal to their school.

Sponsored by Mrs. Judy Keating, the Pep Club sponsors a dinner for Senior athletes each year. Pep Club is also in charge of the chow down. Pep Club members also tried to increase the Booster Club's membership this year.

Basketball cheerleaders: Carla Martinez, Nancy Tilden, Charlotte Nickson, and Carolynn Cogburn.

The cheerleaders of AHS are 10 girls elected by the student body for the purpose of promoting school spirit.

During football season, the the girls function as a unit of ten, with four for basketball, three for wrestling, and three for the junior varsity throughout the rest of the year.

One of the major activities for these girls was attending Cheerleaders' Clinic at Abraham Lincoln High School in Denver.

The girls were instructed in new yells, motions, and new ideas on raising school spirit.

Wrestling cheerleaders: Karen Husung, Lenore Gonzales, and Nadyne Guzman.

Pom Pon Girls

Pom Pon Girls cheer for Maroons in Homecoming Parade.

Promoting school spirit, sparking pep assemblies, cheering at games, brightening color days, presenting half-time shows, and practicing long hours to achieve these, are the tireless Pom Pon girls of AHS.

If a girl is an active member of Pep Club with 75 points and a 2.5 average, she is eligible to try out for Pom Pon. Sixteen girls are chosen by the faculty on the basis of ability, sportsmanship, school spirit, and citizenship.

Perhaps one of Pom Pon's best and most original projects this year was the mock basketball game last January between Pom Pon girls and cheer-leaders, and women faculty members. Other projects included the sale of high school banners and a Soc-hop.

All the girls agree that their contributions would have been impossible without the guidance of their sponsor, Mrs. Maxine Weiss.

Student Council

This year's Student Council, under the leadership of Terry Sloan, paved the way for a foreign exchange student. The Chow Mein Dinner, cooked by members of the Japanese American League, and donations by various service clubs were the money-making projects for the projects.

In improving school standards, Student Council enforced the point system, set up a Student Government day in which students took offices of Alamosa County, had a flag day where Senator J. Edgar Chenoweth presented a flag to the school, and gathered clothing for the Children's Federation Drive.

The student supply store handled materials such as bookcovers, pencils, and paper. Student Council also improved parking facilities. The parking lot and school grounds were cleaned during the council's clean up day.

A sub-organization of Student Council, Presidents' Club was organized in 1962 to relieve the Council of club activities. Since then, it has been Presidents' Club's main responsibility to charter all clubs.

For the first time clubs are no longer complaining about conflicting meeting nights. A calendar of meeting nights, club events, and money-making projects were drawn up during their 7:40 a.m. meetings. During the course of the year, all clubs came into the black financially, in contrast to the beginning of the school year when many organizations were in debt.

This organization consists of all club presidents, class vice-presidents, publications editors, and the Student Council Veep.

Future Homemakers of America

Supporting a small Korean girl, and having one of their own members, Nancy Tilden, elected a state officer, were some of the outstanding events in F.H.A. this year. The chapter also hosted annual events such as "Daddy-Daughter Date", a panel discussion on teenage problems, and an International Dinner.

This productive year made it possible for members to further the goals of homemaking; to be builders of America's homes. They strive to make these dreams realities.

The most important project of Science Club this year was sponsoring the annual Science Fair in February which, under the direction of their sponsor, Mr. Oaks, was a great success.

In keeping with their purpose, "to promote a higher interest in science", Science Club took several trips to local points of interest, such as the Adams State College Observatory.

Speakers from the Sand Dunes National Monument and from the Monte Vista Wild Life Refuge have highlighted some of their many special programs.

Medics Club

Helping others as well as familiarizing the members with the various aspects of medicine were the goals of Medics Club this year.

Besides several money-making projects such as selling changes on hand-knit sweaters, bake sales, a soc hop, and orientation programs that included speakers from the fields of nursing, technology, dentistry, and practical medicine, the busy medics still took time to help others.

Guided by Mr. Joe Vigil, sponsor, they went Christmas Caroling at the hospital and nursing home. They also had a drive in February to collect clothing to send to the State Hospital in Pueblo.

The main project of Medics this year was a trip to Albuquerque to visit the Lovelace Clinic and the University of New Mexico Medical School.

Art Club

Under the guidance of Mr. Charlifu, Art Club has achieved its purpose very well, which is to enable the students to understand art, to gain new experiences in art and to promote public interest in art.

One of the most helpful projects Art Club has done this year is advertising for the different clubs and organizations both in and out of school.

In order to take their trip to Denver to the art exhibit, they had several money-making projects including a soc-hop, bake sale, an art show, an art supply shop and a raffle where they raffled several art projects that the club members had made themselves.

Superintendent Of Schools

Congratulations to the students of Alamosa High School for the completion of another successful school year. Some of you have the distinction of being members of the last class to be graduated from the present high school building. Many of you will have the distinction of being members of the first classes to occupy the new high school building.

We are proud of those who have attained outstanding achievement in their school work. We are aware that many of you have sought and found improvement, and we encourage those who are sincere in their endeavors.

Best of success to you in all of your worthy undertakings.

A yearbook should not only present fond memories of our school but give us inspiration for years to come.

I challenge each of you who go into a new phase of life and who will continue your study at the Alamosa High School, to develop your minds to the fullest of their capabilities, to build strong healthy bodies, and to establish a full Christian life.

Best of luck to each of you.

Speech

One semester of speech for each Sophomore was a requirement introduced into the curriculum this year. Students gained poise and self-assurance in speaking situations which will help them immeasurably through their high school careers and through life.

Journalism

The Journalism Department included Journalism I, a basic course in newspaper writing and fundamentals; yearbook production and newspaper production. Students toured the Valley Courier and The Alamosa Printing Company this year. They participated in the annual newspaper clinic at ASC and played host to valley schools at a yearbook clinic last fall.

Driver Education

Teen-age drivers can be safe drivers--especially after they have taken Driver Education. This course emphasizes safety. Students learn how to park a car, change tires, the parts of a car, and the rules of the road. The Driver Training car is donated by the Dave Craig Motor Company.

English

From the moment we first speak to a new acquaintance, we make a lasting impression. The manner in which we speak, our word power and usage, and the way we express ourselves often times portrays our strength of character, intelligence, and our cultural and educational backgrounds.

These are a few of the many reasons why English is so important, and why it is required for four years.

English directs students toward better reading habits, it promotes an appreciation for various types of literature and enables the students to express their thoughts clearly.

Science

The importance of science in our present age needs little explanation. More and more, science courses such as biology, physics, and chemistry are becoming prerequisites for college entrance and professional fields. It is also well to have a basic knowledge for personal use.

Through the science staff of teachers at A.H.S., students are taught both the ways of scientists and the body of facts they have discovered.

The chief objective of the social studies department is to help students become effective members of our democratic society in the world of nations. Courses in the department are organized with these aims in view: The attitudes, skills, and understandings that society holds to be acceptable and which creative and progressive thought shows to be desirable.

Some of the students participate in Model U.N. in coordination with the International Relations Club.

MR. DICK COWAN

To follow the ever moving "space age" pace, we must know mathematics. The part it plays in our culture is increasing every day. Almost every vocation requires some knowledge of math. Home Economics

Many people think that girls engaged in homemaking courses learn only to cook and to sew. Although these courses are taught quite extensively, every aspect of home life is also studied. Grooming, clothing selection and construction, home furnishing, personality development, child care, home management, and meal planning are just a few of the important things the students are taught.

Besides the three year plan of homemaking for girls, a new course in Marriage and Family Living has recently been added. This course, open to all seniors, is designed to help students become more responsible family members and to prepare for the responsibility of marriage, child care, and home management.

LIBRARY

Students engaged in library training are very helpful to fellow students at AHS. In this course, they not only learn library techniques, but also apply what they are learning by working and helping others in the library.

Work supervised by the librarian, Mrs. Nell Rogers, includes learning to use a library effectively, helping others find information, selecting and ordering books, studying reference materials, as well as general management, and care of the library.

ART

Art courses are designed to give students an appreciation of art in everyday life and to give them a knowledge of form, color, and design.

These courses are also planned to teach the students to experiment with new ideas and stress originality.

The possibility of art as a profession is often explored through these classes.

Auto Shop And Industrial Arts

The industrial arts work in Alamosa High School aims to broaden the student's general education rather than to give vocational education in any specific field. Through these courses a student develops skills and safety habits which may be useful to him as a leisure time activity as well as a future vocation.

He is provided with an opportunity to give expression to his creative ability. He is given training in planning his work habits and in working with other people.

Finally he can learn to be an intelligent buyer and consumer of industrial products.

Maroons Place Second In Football

Head mentor Veron Tate compiled a 5-2-1 season record in the school's initial AAA classification. A loss to La Junta dropped the Maroons to second place in the Southern Colorado League circuit with a 4-1 record.

Running from a T-formation, the Maroons used ball control tactics as a basic offense. A staunch defense which was rated the best in the conference played a major role in the impressive 64 win-loss record. Along with a No. 1 defense, the gridders were rated second in total offense in the SCL.

Five members of the '64-65 football squad were given All-conference recognition. These boys, pictured above with their honors listed gave the leading punch for the Maroons.

Backed by a talented group of twenty-five Juniors and Seniors, these boys compiled impressive records. Outstanding pass protection by defensive half back Kelly Meek, and the tough tackling of Harris Allen, two time All-conference star; along with linebacker Calvin Meder: and defensive end, Dave Bartelt highlighted many of the Maroon conquests.

Don McKillip received honorable mention recognition on the Denver Post Poll.

Winning Tradition

In the fourth year of existence the Cross Country Team, ably coached by Paul Sterk, compiled an excellent 34-7 overall win-loss record. Of the seven teams outscoring the country men, four of them were beaten by the Maroons at return meets.

Classified as Division II at the state meet, the striders managed a fifth of 26 entering teams. Jim Hugins claimed all three school records for the Golf Course course, Cole Park course, and the school State Meet record. Co-captain with Hugins was Mike Carter, another Senior.

Coach Paul Sterk, Blick Blickhahn, Jim Hugins, Mike Carter, Ray Martinez, and Bill Quintana carry Maroon colors at State Meet.

Maroon Cagers Take Second

Head Mentor John Sheeley experienced a mixed season with a talented group of five Seniors backed up by five Juniors. The Maroons ended the season with a heartbreaking loss in the championship round of the district tournament. The squad avenged all its conference losses with the exception of La Junta. Their debut loss to Trinidad and later to Pueblo Central accounted for their unavenged losses. Capitalizing on rebound power and a tough defense, the tall Maroons added an effective fastbreak to stimey the opponents.

Team captain Kelly Meek was elected to play in the All-Star game. Along with Ron Letey he was selected All-Conference first team. Dave Bartelt was voted honorable mention on the league circuit.

At District Tournament

The Alamosa Grapplers returned from a "64" conference co-championship to sweep the league for the first league championship in "65". In winning the league the Maroons sent six wrestlers to the state tournament. The locals picked up first in four weights divisions and runner-up in two to account for the qualifiers.

Rocky Wiedeman, Ron Bustos, Clyde Cisneros, Calvin Meder, Ken Sullins, and Jim Reese went to the state tournament as representatives of Alamosa. Bustos was the only man to return home a winner. He finished in state second after being defeated in the final round in a decision 4-0.

The 1964-65 baseball team compiled the best over all season record in the school's AAA history. The squad finished second in the league with a loss in their last game. They compiled a 7-2 conference record along with a 12-4 season record. The squad was led by an experienced group of seniors along with substantial support from the underclassmen. Harris Allen led the team in the hitting department with a 514 batting average. He was followed by Herman Martinez with a 400 average.

Along with a fine hitting staff Coach Leonard King, developed a tough infield backed up by an equally fine outfield.

if I get mad at you.
Alan

Dear Tom,
I would like to thank you for all the help you have given me with my studies. I appreciate a great deal. I also appreciate a present. I really appreciate getting your present. I really appreciate it. I hope you and Bruce enjoy the gift. I would like to compliment Bruce on his taste in clothes. I am sure he will look very nice in all the clothes he buys with the money you gave him.
Love,
Alan

Tom,
You're a real neat guy and I've really enjoyed knowing you and being friends! I hope you the best in everything - especially in having fun. Be good to all the girls. Never work to hard.

As Always

Tom,
He says he's an good guy so he is. To a guy who's a P.K. who acts like a — but talks enough for a preacher. Good Luck with your girls.
